

## Baby Quilted Snugglies

Size 1. 23" x 19"

Size 2. 19" x 17"

### Instructions

Cut size for size 1. 24.5" x 20.5"

Cut size for size 2. 20.5" x 18.5"

Cut two layers of fabric and one layer of wadding

Place two pieces of fabric right sides together on top of the wadding and stitch around all sides leaving an opening to be able to turn inside out.

Trim of bulk at the corners and turn inside out

Using a cool iron press around the seam edges folding in the opening edge

Top stitch around the edge closing the opening

Top stitch a pattern on the quilt to hold wadding in place, either another line 2" from edge or a diamond pattern, doesn't matter as long as it secures the wadding in place.
